CONSENT AND ACKNOWLEDGMENTS IN TERMS OF THE PROTECTION OF PERSONAL INFORMATION ACT 2013 (POPI)

METROBUS

REQUEST FOR QUOTATION (RFQ)

This section sets out how personal information will be collected, used and protected by Metrobus SOC hereinafter referred to as “Metrobus”, as required by the Protection of Personal Information Act. The use of the words “the individual” for the purposes of this document shall be a reference to any individual (bidder) communicating with Metrobus and/or concluding any agreement, registration or application, with the inclusion of each of those individuals referred to or included in terms of such agreement, registration or application.

1. What is personal information?

The personal information that Metrobus requires relate to names and surnames, birth dates, identity numbers, passport numbers, demographic information, education information, occupation information, health information, addresses, memberships, and personal and work email and contact details.

2. What is the purpose of the collection, use and disclosure (the processing) of personal information?

Metrobus is legally obligated to collect, use and disclose personal information for the purposes of:

- Reporting initiatives to the City of Johannesburg Municipality;
- Reporting to National Treasury all contracts awarded;
- Obtaining information related to Tax Compliance information from SARS;
- Verifying information on the National Treasury database of defaulters;
- Evaluating and processing applications for registration on the database;
- Compiling statistics and other reports;
- Providing personalised communications;
- For the purpose of audits
- Complying with the law; and/or
- For a purpose that is ancillary to the above. Personal information will not be processed for a purpose other than what is identified (the purpose) above without obtaining consent beforehand.

3. How will Metrobus process personal information?

Metrobus will only collect personal information for the purpose as stated above. Information will be collected in the following manner:

- Directly from the individual;
- From service providers who provided with services or goods to Metrobus;
- From Metrobus own records relating to previous supply of services or goods; and/or
- From a relevant public or equivalent entity.

4. To whom will personal information be disclosed?

The personal information may be disclosed to other relevant public or other entities on whose behalf we act as intermediaries, other third parties referred to above in relation to the purpose or who are sources of personal information, service providers such as professional bodies who operate across the borders of this country (transborder flow of information) where personal information must be sent in order to provide the information and/or services and/or benefits requested or applied for. In the event of another party/ies acquiring all of or a portion of Metrobus’ mandate or functions, personal information will be disclosed to that party but they will equally be obliged as we are, to protect personal information in terms of this policy and the law.

METROBUS

REQUEST FOR QUOTATION (RFQ)

5. Consent and Permission to process personal information:

I hereby agree with the policy and provide authorisation to Metrobus to process the personal information provided for the purpose stated:

- I understand that withholding of or failure to disclose personal information will result in Metrobus being unable to perform its functions and/or any services or benefits I may require from Metrobus.
- Where I shared personal information of individuals other than myself with Metrobus I hereby provide consent on their behalf to the collection, use and disclosure of their personal information in terms of this personal information policy and I warrant that I am authorised to give this consent on their behalf.
- To this end, I indemnify and hold Metrobus not responsible in respect of any claims by any other person on whose behalf I have consented, against Metrobus should they claim that I was not so authorised.
- I understand that in terms of POPIA and other laws of the country, there are instances where my express consent is not necessary in order to permit the processing of personal information, which may be related to police investigations, litigation or when personal information is publicly available.
- I will not hold Metrobus responsible for any improper or unauthorised use of personal information that is beyond its reasonable control.

6. Rights regarding the processing of personal information:

- The individual may withdraw consent to the processing of personal information at any time, and should they wish to do so, must provide Metrobus with reasonable notice to this effect. Please note that withdrawal of consent is still subject to the terms and conditions of any contract that is in place. Should the withdrawal of consent result in the interference of legal obligations, then such withdrawal will only be effective if Metrobus agrees to same in writing. Metrobus specifically draws to the attention that the withdrawal of consent may result in it being unable to provide the requested information and/or services and/or financial or other benefits.
- In order to withdraw consent, please contact the Metrobus Information Officer/SCM
- A copy of the full Metrobus policy is available
- Individuals are encouraged to ensure that where personal information has changed in any respect to notify Metrobus so that our records may be updated. Metrobus will largely rely on the individual to ensure that personal information is correct and accurate.
- The individual has the right to access their personal information that Metrobus may have in its possession and are entitled to request the identity of which third parties have received and/or processed personal information for the purpose. Please note however, that any request in this regard may be declined if:

- The information comes under legal privilege in the course of litigation,
- The disclosure of personal information in the form that it is processed may result in the disclosure of confidential or proprietary information,
- Giving access may cause a third party to refuse to provide similar information to Metrobus,

METROBUS REQUEST FOR QUOTATION (RFQ)

- The information was collected in furtherance of an investigation or legal dispute, instituted or being contemplated,
- The information as it is disclosed may result in the disclosure of another person's information,
- The information contains an opinion about another person and that person has not consented, and/or
- The disclosure is prohibited by law.

7. Queries relating to breach of personal information:

- Please submit queries relating to the breach of personal information to the Metrobus' information officer and SCM in writing as soon as the breach is discovered.

FORM "E"

SPECIFICATION /SCOPE OF WORK/TERMS OF REFERENCE

1. Introduction

This Scope of Work (SOW) outlines the requirements and deliverables for the preparation of complete and accurate *as-built architectural drawings* for Metrobus facility/facilities. The as-built drawings will serve as the official record of the existing built environment and will be used for future renovations, maintenance planning, and compliance verification.

The Managing Director has requested that the current condition of the facilities be captured accurately in architectural documentation to ensure that any future work is based on verified, up-to-date information.

2. Objectives

- Accurately capture the current layout, dimensions, and physical features of the facility/facilities.
- Document any modifications, alterations, or deviations from original design drawings.
- Provide a complete set of as-built architectural drawings in both hard copy and editable digital format (e.g., AutoCAD, Revit).
- Support future facility management, maintenance, and capital project planning with reliable architectural data.
- Ensure compliance with applicable building regulations, codes, and standards.

3. Scope of Work

The appointed Architectural Professional shall perform the following tasks:

3.1 Site Survey & Measurements

- Conduct a comprehensive site visit to measure and verify all internal and external building dimensions.
- Identify and document all rooms, corridors, entrances, and exits.
- Record positions of windows, doors, partitions, staircases, ramps, and other architectural features.
- Include all fixed installations that impact space usage (e.g., built-in counters, fixed furniture, service shafts).
- Capture floor-to-floor heights, ceiling heights, and roof structure details.

3.2 Documentation of Building Features

- Show accurate location and dimensions of structural walls, non-structural partitions, and columns.
- Indicate finishes for floors, walls, and ceilings (where applicable).
- Document the positions of all openings, glazing types, and shading devices.
- Record external building features including canopies, verandas, and service yards.

3.3 Preparation of As-Built Architectural Drawings

- Develop detailed floor plans for each level.
- Provide elevations and sections to reflect the current building condition.

METROBUS

REQUEST FOR QUOTATION (RFQ)

- Include roof plan showing slopes, drainage points, and access points.
- Clearly annotate changes from original plans (if available).

3.4 Deliverables

A complete as-built architectural documentation package including:

- **Executive Summary** – Overview of the survey, findings, and methodology.
- **Floor Plans** – Scaled and fully dimensioned.
- **Elevations** – All building facades.
- **Sections** – Minimum two sections showing critical structural and spatial relationships.
- **Roof Plan** – Including access points, slopes, and drainage systems.
- **Site Plan** – Indicating building footprint and relation to site boundaries.
- **Schedules** – Doors, windows, and finishes.
- **Digital Files** – Editable CAD/Revit files and PDF copies of all drawings.
- **Photographic Record** – Annotated photographs showing key building elements and deviations.

4. Compliance

All drawings must conform to the South African National Standards (SANS) for building documentation and be prepared by a registered Professional Architect, Professional Senior Architectural Technologist or Professional Architectural Technologist in good standing with SACAP.

Evaluation Criteria

In line with the Preferential Procurement Regulations, 2022, all procurements above R30 000 will be evaluated on **80/20** preference point system with the following specific goals:

- a) an EME or QSE which is at least 51% owned by black people = **10 points**
- b) an EME or QSE which is at least 51% owned by black people who are women = **5 points**
- c) an EME or QSE which is 51% owned by black people who are youth = **5 points**.

A maximum of 20 points may be awarded to a tenderer for the specific goal specified for this RFQ. The points scored for the specific goal will be added to the points scored for price and the total will be rounded off to the nearest two decimal places.

The highest scoring bidder would be recommended, however Metrobus reserves the right not to award to the highest scoring bidder.

Points can be claimed by ticking the appropriate box below: Metrobus will verify the information on the National Treasury's CSD report. **Failure to claim points may results to zero (0) point being awarded.**

SPECIFIC GOALS	MAIXIMUM POINTS	TICK WITH (X / v) POINTS CLAIMED
